

Statement of Kevin Hardy
Appropriations Committee
February 23, 2017

My name is Kevin Hardy and I live in Bridgeport, CT. I have a Section 8 voucher which I need to be able to afford my rent.

My landlord was trying to evict me due to non-payment of rent. I got behind in my rent when I had a problem with my conservator. I got a new conservator but I was still behind in rent.

CLRP represented me in Housing Court. CLRP worked with my new conservator and case manager so that I could get a repayment plan in court.

If CLRP didn't represent me, I would have been out on the streets. I would have lost my apartment and my Section 8 voucher.
